CABOT

Death of Mrs. Etta Haines Ended Many Years of Ill Health.

Mrs. Etta M. Haines passed away at her home Saturday morning, June 19, after several years of poor health, which finally terminated in valvular heart trouble and other complications. She was born in Walden March 28, 1849, and was the eldest of nine children of Abel and Mary Ann Gile. On Aug. 8, 1870, she was united in marriage with Ezra W. Haines and came to this town, living 18 months on the farm which was cleared by Mr. Haines' grandfather. Two children, a son and daughter, were born to them—Mayon, who had always lived at home, and Mabel, the wife of A. P. Burnham, who lived in Barre.

Forty-three years ago they moved to this village, where they have since lived. Twelve years ago her companion was taken. Mrs. Haines took the care of the only son, Mayon, which duty he faithfully performed, until, four months ago, by accident, his life went out suddenly. This proved a severe shock to his mother and since that time her health and strength have fast declined. Mrs. Mabel Burnham of Barre has been with her these last months and with tender devotion has made her mother's last days pleasant. She was a kind neighbor and by her pleasant and thoughtful ways has endeared herself to a wide circle of friends, by whom she will be missed. She was very appreciative of every little act of kindness which she received and many times during the last few weeks has been heard to say "Everybody is so good to me." She had been a worthy member of the Methodist church 42 years, where she was a willing worker as long as health permitted, also a charter member of the Woman's Relief corps and Ramona Rebekah lodge. She was so fond of flowers that her windows, filled with blossoming plants, attracted the admiration of passersby. She leaves her only daughter, two sisters and two brothers. Funeral services were held at her late home Monday afternoon, Rev. G. H. Wright officiating, assisted by Rev. F. E. Currier and Rev. M. W. Hale. Beautiful floral offerings of a harp with broken string from Rebekahs, carnations from the Woman's Relief corps and others from relatives and friends testified to the esteem in which she was held. Her remains were placed in the family lot in Cabot cemetery.
